

International Host Student Expectations

1. All students will participate in all family activities.
2. Students are to be responsible for keeping their bedrooms and bathrooms clean and orderly.
3. Host families may assign chores to be done. Students are to complete these chores as directed without argument.
4. Communication is key to success. All students are to talk to their host families about concerns or areas where adjustments need to be made.
5. Students will be respectful of their host family.
6. Students will not “talk back” or be argumentative with a host family member.
7. Students are expected to pay for their own entertainment and expenses in regards to clothing, school supplies and any other extra items that they wish to purchase.
8. Host families will transport students to activities at the convenience of the host parent. Excessive activities will not be allowed and transportation will be fair and reasonable for all parties.
9. Students will not be allowed to change host families without showing suitable cause for a change needing to be made. Lack of communication and the students’ unwillingness to follow rules is not suitable cause. All changes must be approved by Sheridan Academy. In the case of an approved move it is the students’ responsibility to find a new host family that meets all host family requirements. In the case of a host family not abiding by hosting regulations, Sheridan will find an alternative host family.
10. Students need to advise Sheridan and host family of any dietary needs or restrictions.
11. Students are to ALWAYS get permission from host families before leaving the home and come to a mutual agreement of a time to be home.
12. Curfews will be set by host families and abided by.
13. Students are not to use any electronics after curfew.
14. “Junk Food” is to be kept to a minimum and not kept in the students’ room.
15. Students must have the approved school uniform no later than 10 days after arrival at Sheridan Academy.
